My ambition is to build a unique career across the architecture and creative design industries, driven by a personal love for drawing, product design, and technical skills.

EXPERIENCE

JUNE 22, 2026 – JUNE 26, 2026

ARCHITECTURE INTERN, CHP ARCHITECTURE LTD

- Drafted an extensive floor plan for an active project by successfully interpreting the site survey.
- Used Vectorworks software to efficiently produce the technical drawings.
- Gained practical exposure to professional studio workflows and real-world project constraints.
- Tackled complex dimension conflicts by using the floor plan measurements against the building elevation drawings.

NOVEMBER 19, 2025 – JUNE 03, 2026

WORK EXPERIENCE STUDENT, STEVE JACKSON DESIGN LTD

- Learned foundational surveying skills by conducting a physical measured survey of the work studio using MM rulers.
- Hand-drafted a scaled residential floor plan by measuring my own home and converting the real-life dimensions using pencil and a metric ruler.
- Gained insights into real-world project.
- Developed an understanding of architectural scale and floor plan symbols to comprehend how buildings fit together.

JUNE 18, 2025 – SEPTEMBER 06, 2026

TEAM MEMBER, MIOLAD FOODS

- **Team Member**
